

# HI 113 CONGRESS SIMULATION 2010

**Committee: Agriculture**

**Principal Author: Ly, Slack**

**Bill No: 113.1**

**Section: 1**

**Title of Bill: Health Care Bill**

## BE IT ENACTED BY THE CONGRESS

- 1 Of the United States of America in Congress Assembled that  
2 Preamble:  
3 Whereas, right now the number of uninsured residents of America has grown to 45 million.  
4 Healthcare is becoming increasingly unaffordable. Our country is in dire need of healthcare reform.  
5 Body:  
6 1. We will introduce new reforms such as  
7 1. Utilizing technology to make the process of healthcare faster, easier and more  
8 efficient.  
9 2. Developing a national database that makes diagnoses and treatment for doctors  
10 easier.  
11 2. The bill will help doctors' focus on the healing of the patient rather than on the patient's  
12 economic issues about insurance.  
13 3. Health insurance companies will not be able to cancel healthcare services for people who  
14 have preexisting conditions. Insurance companies shall not be allowed to have access to  
15 patients' medical histories and medical charts due to potential corruption within the  
16 insurance company.  
17 4. The bill will create a single national health service for all citizens of the United States.  
18 5. We will no longer be the only industrialized nation to extend its citizens national healthcare.  
19 6. It will offer healthcare to the uninsured and improve the healthcare coverage of the people  
20 who are already insured.  
21 The Enactment Clause:  
22 Different sections and provisions of the new health care law will take effect at a different time  
23 whenever it will be fit and appropriate, as soon as it is passed.
