Section: 01

Title of Bill: A Second Day of Remembrance

Be It Enacted By The Congress

1Preamble: Whereas the final Monday of every May is Memorial Day, a day of remembrance
for those people who lost their lives during war-time, and since there currently is no day of
2remembrance for civilians who lost their lives either in a natural disaster or attack on United
States soil, and since there is no day of remembrance for those who lost their lives on
3September 11th, 2001,

4

5SECTION 1: Let the first Tuesday of every September be a nationally, annually observed
holiday, known as Remembrance Day.

6

Sub-SECTION A: This holiday would encompass a remembrance of the
7deaths of those who died on American soil from a situation beyond our control, such as a
natural disaster or attack from a foreign nation.

8

Sub-SECTION B: The reason the holiday would be observed on the second
9Tuesday of every September is because this is the day of the September 11th terrorist
attacks.

10

11

SECTION 2: Let all federal and state government facilities and offices be closed for the
12entire day, less they need to remain in operation, such as police, fire, and emergency
services.

13

14

SECTION 3: Let all publicly operated facilities and businesses be closed for the entire day,
15less they need to remain open, such as grocery stores and gas stations.

16

17SECTION 4: Let all learning institutions, be they public or private, at all education levels be
closed for the entire day.

18

19

SECTION 5: This bill shall go into effect immediately, as to be sure it is ready to take effect
20for the first Tuesday of September of this year
